Emergency Services

Community Emergency Response Team (CERT) - Members prepare, organize and work together as a team to provide essential services to their community during and after a disaster. CERTs strengthen neighborhood resiliency and play a vital role in our Town's disaster response efforts.

Disaster Aid Response Team (DART)

The Los Gatos-Monte Sereno Police Department frequently calls upon DART to assist in a wide variety of emergency situations. The team has been summoned to search for missing children, senior citizens, and has participated in evidence searches in several major crimes locally. In addition to serving the local community, DART has been activated on a mutual aid basis to assist with searches in neighboring counties.
